

Here at Perryfields we are very lucky to have strong links with the local community . In Year 2 the children were very excited to visit The Lawns and share some Christmas carols with the residents. They sang a selection of carols and some of their favourite songs from the Christmas production – ‘Robin's Christmas sing along’. After the carols the children were given the opportunity to show their topic books to the audience, they were very impressed with all the hard work that had gone on in year 2!
