Dear Parents/Carers,

As you will be aware, we received a visit from OFSTED on the 4<sup>th</sup> and 5<sup>th</sup> October 2022. This was what is known as a section 8 of the Education Act 2005 inspection. This is an ungraded inspection, which is basically to assess whether we continue to be a good school.

I am delighted to be able to tell you that the inspection report has now been finalised and that we have maintained our GOOD school status.

The one development point for improvement around phonics and supporting the small number of weaker readers was already planned for with a new validated phonics scheme, training and reading books being purchased. Once fully implemented we aim to raise our reading standards even further.

The feedback highlighted the exceptional behaviour of the children, the extra-curricular opportunities for the children's wider development, children's memory and recall of their learning, being a caring school and safeguarding as some of the strengths of our school.

I'd like to thank all of the parents who responded to the OFSTED inspector's questionnaire, all of the children for their excellent behaviour and response to the inspector and all of the Perryfields Infant team for their continued hard work and delivery of a good education to our children.

The full report is attached, please let me know if you have any queries.

Kind regards,

Amanda Reid
