

PE and the Sports Grant

As a healthy school, we aim to provide a wide of activities for children to engage in high quality sports provision. All children have two PE/games lessons per week in curriculum time as well as an additional swimming lesson for Year 1 and Year 2 in the summer term. We run a range of extra curricular sporting activities at different times of the year for all year 1 and year 2 children. We are part of the Chelmsford School Partnership <https://www.chelmsfordssp.com/> where throughout the year children in all year groups take part in competitive sports within the local area against other schools.

PE is a much loved part of the curriculum at Perryfields and this is due to the enthusiasm of all the staff, outside sports coaches and the children. The sports premium money serves to enhance this enthusiasm through providing the children with opportunities to try different sports and compete in competitions both within and outside of school. We are continuing to use the sports premium money to make additional and sustainable improvements so the children have the best provision for sport available to them and for more children to enjoy these provisions in future years here at Perryfields Infants.

Outline of Primary Sport Premium spending 2023 - 2024				
Item/project	Cost	Outcome	Evidence so far/impact for children	Sustainability
Subscription to Chelmsford to School Sports Partnership.	£480	Membership entitles us to receive curriculum support, CPD opportunities for all staff and specialised coaching.	This year more competitions have been added for Infant Schools. This has allowed an increased number of children involved in competitions against other schools, the competitions for Infant schools have provided more opportunity for children of a range of abilities to take part in sport and exercise.	The subscription to the partnership has a huge impact for the children to take part in competitive sport. This needs to remain in place year after year as each year it grows and becomes bigger and better providing great opportunity for all.
Access to competitions	Ongoing...	To increase pupil access and opportunity to sporting activities that are away from the school. Site. Levels of physical activity, fitness and enjoyment will increase for pupils. They will have access to equipment and events which might normally be unavailable to them. New skills will then be developed.	Confident pupils who are willing to take risks and this is rising as more competitions are being held by the school partnership. Pupils have developed an element of 'competitiveness', school pride and improved self-esteem through increased participation.	

<ul style="list-style-type: none"> • PLT Training • CPD Opportunities for all staff. • Subject Release time for PE audit/admin and competitions. 	<p>As above cost for partnership.</p> <p>Autumn - £228.69 Spring - £154.64</p>	<p>Provides PE coordinator with more information about forthcoming events and fixtures.</p> <p>Provides all staff with a range of opportunities to enhance their learning and develop their skills in areas they are less confident.</p> <p>Gives the subject coordinator time for careful planning and plan travel/risk assessment/notice boards/website updates etc.</p>	<p>A bank of resources and planning for future lessons.</p> <p>Positive feedback from staff regarding CDP opportunities. Evidence can then be seen in their planning and lessons.</p> <p>Parents and children are informed of competitions and practices in advance. More communication with teachers and parents through website updates and staff meetings. Parents have been very positive about all the sport at Perryfields Infants and are keen for their children to take part in competitions.</p>	<p>The PLT Training and CPD is sustainable as all staff are being upskilled in a range of different areas of PE and therefore providing them with more confidence and understanding of the product.</p>
